

PRIVACY POLICY

This website is owned and operated by Aircompany Armenia LLC.
This policy explains:

Protecting Your Privacy / Data Security / What Personal Information Does Aircompany Armenia LLC collect? / E-mail Services / What Security Measures Does Aircompany Armenia LLC Take? / Links to Other Sites / Use of Cookies / Changes / Contact

Protecting Your Privacy

Your Privacy is very important for us. The personal data of Aircompany Armenia LLC's customers, prospective customers and website visitors is handled and protected with the greatest possible care in accordance with the requirements stated in the Legislation of Armenia. Although this Privacy Policy is not a contract and does not create any legal rights, it does serve as an expression of Aircompany Armenia LLC's commitment to protect your private personal information.

Data Security

To ensure the security of your personal data, the booking system used by Aircompany Armenia LLC encrypts information using SSL technology. The use of SSL allows all personal information such, as your credit card number to be encrypted as it travels from your computer to Aircompany Armenia LLC's booking system.. If your browser supports SSL, please select the Secure Mode option when confirming your booking, credit card and other personal information will be protected by this technology. If your browser does not support SSL, we recommend you to update to the latest version of any browser to improve the security of transactions, otherwise the transmission of your personal information may not be protected and Aircompany Armenia LLC disclaims any responsibility in this regard.

What Personal Information Does Aircompany Armenia LLC Collect?

In order to facilitate your travel and manage our business, we require specific information from you such as your name, address, e-mail address, telephone number. This information will be used for the purposes of providing you with air transport services.

E-mail Services

Providing electronic services is important to Aircompany Armenia LLC, particularly these e-services offer customers, prospective customers and website visitors' quick and convenient access to information.
